## The Proof of the Pudding

When a store advertises to sell Clothing lower than anybody and everybody—almost gives goods away—sells a \$20.00 Suit for \$6.99, a pair of \$6.00 Trousers for \$1.99, etc., etc., IT'S TIME TO INVESTIGATE.

Investigation is the Proof of the Pudding.

We are not making the unreasonable and ridiculous offers made by some stores, but we believe we are selling good, reliable, well-made Clothing lower than it is being sold by any house hereabouts.

Our Special Sale is a grand success. Have you been in? Can you afford to stay away? Don't be carried away by false inducements. INVESTIGATE.
